About Siraj

Siraj Education Endowment Foundation was established in 2019 under the supervision of the Education Council. It was later re-launched in 2023 with a renewed vision and a distinguished Board of Directors chaired by Her Excellency Prof. Rahma bint Ibrahim Al Mahrooqi.

We aim to promote excellence in the field of educational endowments in Oman, supporting student success and fostering institutional growth.

We believe that education is the foundation for building a brighter and more prosperous future.

1

Aquaculture Lab Project

The Aquaculture Lab was established at the University of Technology and Applied Sciences - Sur Branch, adding significant value to the university by providing an ideal environment for students to conduct research and specialized studies in the field of aquaculture. The lab aims to equip students with the necessary practical and technical knowledge, contributing to the development of their scientific skills and enhancing their ability to innovate in this vital and important field.

University Student Sponsorship Initiative

المؤسسة الوقفية لدعم التعليم
Education Endowment Foundation

The initiative aims to assist financially disadvantaged students in private higher education institutions who are studying at their own expense by covering basic expenses such as housing and living costs, to ensure their continuity in education. Registration was open from January to February 2024 through an electronic platform, where approximately 1,519 students from various regions of the Sultanate of Oman registered.

3

Siraj Donation App

المؤسسة الوقفية لدعم التعليم
Education Endowment Foundation

In March 2024, the Siraj mobile application was launched. The app aims to highlight the cases of financially struggling students facing hardships and to facilitate donations to the foundation's endowments by providing a platform that enables community engagement in fundraising.

The application simplifies the donation process and contributes to supporting these students in their educational journey, thereby enhancing their chances of completing their studies and achieving their academic goals.

4

Siraj Mazaaya Membership

المؤسسة الوقفية لدعم التعليم
Education Endowment Foundation

The "Mazaya Siraj " membership was launched in collaboration with Thawani Technologies. It is a membership dedicated to students and affiliates of higher education institutions.

Students can subscribe to the membership for only 3 Omani Rials annually and, in return, receive discounts ranging from 10% to 60% across a wide range of consumer sectors, such as restaurants, entertainment, hospitals, and other services.

5

University Student Iftar Project

المؤسسة الوقفية لدعم التعليم
Education Endowment Foundation

This project aims to provide and distribute Iftar meals during the holy month of Ramadan to students enrolled in higher education institutions. The project seeks to meet the nutritional needs of fasting students by offering complete Iftar meals that help them perform their worship and studies with energy and vitality. Through this initiative, the project aims to support students during this blessed month and provide them with an ideal educational environment.

جامعة التقنية والعلوم التطبيقية

As outlined in the Student Guide for the academic year 2025-2026, the foundation provided seven full internal university scholarships. These scholarships included not only academic coverage but also a monthly stipend of 120 Omani Rials per student, bringing the total cost of these scholarships to 161,000 Omani Rials. This initiative aims to empower high-achieving students from low-income backgrounds to continue their university education in a stable and supportive environment.

7. Partnership with the “University Student Support” initiative

The Foundation has partnered with the “University Student Support” initiative, with the 2025 edition set to be held under the organization’s umbrella. The initiative aims to provide students with knowledge-based books in various fields (religious, cultural, sports, business administration, self-development, and others). Under this partnership, any university student can present their student ID and receive two free books during the 2025 Muscat International Book Fair.
